

The numbers don't lie – increase recoveries with Financial Recovery Technologies

Proof positive FRT gets you more

FRT recently audited the class action claims of several institutional investors that rely on a third-party filer for their class action recoveries. The results showed an average increase of more than 20% in recoveries had these firms relied on FRT to file on their behalf.

FRT has identified three problem areas where our competitors fall short:

Why Financial Recovery Technologies?

ROBUST PROCESSES TO ENSURE CLAIMS ARE NOT MISSED	PROPRIETARY METHODOLOGY TO DETERMINE THE GREATEST YIELD	PROPRIETARY SOFTWARE TO IDENTIFY INTERNAL TRANSFERS
<ul style="list-style-type: none"> Redundant data sources Reconciliation controls at every step in the claims filing and recovery process Recognized loss calculations and reconciliation of every recovery check received 	<ul style="list-style-type: none"> Compares each filing option to determine which method yields a greater potential recovery Operational controls in place to effectively manage the process 	<ul style="list-style-type: none"> Technology to accurately track and document free receives and free delivers Process developed in conjunction with claims administrators

About FRT

Financial Recovery Technologies (FRT) is a leading technology-based services firm that helps the investment community file claims and collect funds made available in securities class action settlements. We provide best-in-class eligibility analysis, disbursement auditing and client reporting for the most comprehensive range of services, including:

FRT CLAIM FILING	FRT MONITORING	FRT GLOBAL	FRT DIRECT	FRT ANTITRUST
Identify eligibility, file claims, and collect funds made available in securities class action settlements.	Monitor filed securities litigation and evaluate losses to make independent, timely participation decisions.	Monitor non-U.S. securities litigation, provide informational and research support, evaluate losses and leverage FRT to facilitate case participation.	Identify and facilitate participation in strategic opt out, direct action litigation and appraisal rights opportunities.	Identify, file claims, and recover funds from Antitrust, Commodity Exchange Act and other non-securities litigation.

We deliver the highest level of accuracy, accountability and transparency available to a wide range of institutional investors including hedge funds, investment managers, custodians, public and private pension funds, and wealth managers.
